

An **EASY** Option for **BACK TO SCHOOL SUPPLIES** **SHOPPING...**

Dear Parents,

Our school has found a GREAT way to purchase your back to school supplies.

Locally based, and Mom owned, MySchoolSuppliesUSA.com, has created a program which delivers custom pre-packaged school supplies directly to MTS. Say hello to quality, convenience and value. Say goodbye to multi-store shopping, long lines and guesswork! Many MTS families ordered last year and were thrilled with the simplicity of having everything their child needed ready for pick up on registration day.

All supplies are exactly what our teachers request and support a commitment to sustainability. In addition, this year there are a la carte options. For those items that might reflect personal style or for those items that you may already have and not need, you only need to purchase them if it suits you. Yes, all binders have clear view so students can personalize them. MySchoolSuppliesUSA.com is committed to sustainability in the products they provide and processes they use. This program is a win/win for parents, students, teachers AND the planet!

To order:

- Go to MySchoolSuppliesUSA.com
- Click on **SHOP NOW**; follow the prompts
- **"Add to cart"** pay by cc or check and you are done!

MySchoolSuppliesUSA.com delivers kits ready for you **to pick up on registration day**. How easy is that? Ordering is **open now and ends August 5th**. So make life a bit simpler, order TODAY and cross one more item off your summer list!
