

MTS Digital Gallery

Prints of pictures taken at Mount Tamalpais School events (i.e., the 8th Grade Play and Graduation) can be viewed and downloaded on the web!

A link on the school's homepage (www.mttam.org) has been set-up to connect to our digital gallery. Clicking on this link will take you to web pages where you will be able to view individual pictures, slideshows and download full-resolution prints. You may then print these pictures or upload them to your favorite digital printing website. We hope you enjoy this addition to our digital community.
