

Dear Parents,

We would like to inform you about an exciting program with Office Depot.

- When parents, teachers, and students purchase school supplies at any Office Depot 5% of all qualifying purchases will be tallied toward a merchandise credit for MTS.
- **Our school is already pre-registered** in the Office Depot system for this program. **Our school ID# is: 70010829.** This ID# accurately records all qualifying purchases made for our school.
- Office Depot will post a copy of the MTS supply list at Office Depot store locations so that parents and students can have easy access to them while shopping.

Don't miss out on this great opportunity to contribute towards getting "free supplies for our school."

Thank you,
MTS Staff
