

Dear Parents,

Enclosed is the September calendar of events. Please note that in the lower right hand corner is a line marked "Hours." **Mount Tamalpais School requires that each family volunteer a minimum of 60 hours per year.** Not only is this your opportunity to participate in your child's school community, but MTS has the opportunity to apply for and receive financial aid and grants from organizations which often require proof of volunteer hours.

At the end of each month, count those hours when you attended a committee meeting, worked in the library, or served hot lunch. Fill in that space at the bottom of the calendar and return it to the office via "backpack" mail.

If you have any questions about volunteer hours, please feel free to call the school office.

Sincerely,

Laura Hill  
MTS Parent Volunteer Coordinator
