

Dear Parents and Students,

It is very important that there not be any misunderstandings regarding school policy, uniform requirements, discipline, academic and behavioral expectations, and a number of other seemingly less critical concerns. In order to ensure that we are all in agreement about the school's "Rules and Regulations," we are asking that each family do the following:

- 1) Read the School Handbook (Information for Families) for the 2011-2012 school year very, very carefully, noting especially the information relating to uniforms and other guidelines that are relevant for your students.
- 2) Discuss as a family the responsibilities and commitment that are involved.
- 3) Get clarification if necessary, on any areas that appear confusing to you or your children.
- 4) Keep the handbook where it can be referred to easily during the school year.
- 5) Sign the attached form indicating that parents and students are **all** aware of the school's requirements and recommendations.
- 6) Remember that conditions for enrollment and re-enrollment at MTS include parental support, positive attitude, constructive interaction, fulfillment of required volunteer hours, and appropriate involvement with the school.

We thank you for your cooperation, and we appreciate your continuing support of our endeavors on behalf of your children.

Sincerely,

Kathleen M. Mecca, Ph.D.
Director
