TUESDAY

Cooking
Jewelry Making
Lego Robotics
Multi-Media Art

WEDNESDAY

Beginning Voice (3:15-4:00)
Beginning Voice (4:00-4:45)
Computers
Cooking
Dance
Impromptu Public Speaking

THURSDAY

Brain Games
Chess
Computers
Golf
Multi-Media Art

BEGINNING VOICE (Grades 4 -6) Wednesday 3:15-4:00 or 4:00-4:45 \$150.00

Students will study breathing, vocal exercise, voice projection and diction. Each class member will be assigned a solo to prepare, memorize and perform for the group.
September 7, 14, 21, 28, October 5, 12, 19, 26, November 2, 9

BRAIN GAMES (Grades K-8) Thursday 3:15-4:00 \$150.00

Students will play backgammon, dominoes, board games and strategy games, which utilize thinking skills. Students will participate in tournaments while learning the skills of these classic games.
September 8, 15, 22, 29, October 6, 13, 20, 27, November 3, 10

CHESS (Grades K-5) Thursday 3:30-4:30 \$150.00

Learning chess facilitates children's cognitive development and helps them acquire many skills. "Playing" chess provides children with opportunities to practice thinking, analyzing, planning, problem solving, decision-making, observing, concentrating, visualizing future possibilities and remembering and applying the lessons of past experiences to present circumstances.
September 8, 15, 22, 29, October 6, 13, 20, 27, November 3, 10

COMPUTERS (Grades 2-8) Wednesday or Thursday 3:15-4:00 \$150.00

Students will have the opportunity to explore a variety of software with a focus on problem-solving and adventure programs. They may also develop a multi-media project using programs such as "HyperStudio" or "Stagecast." Students may choose to sharpen their chess skills via the multi-media CD-ROM, "Maurice Ashley Teaches Chess."
Wednesdays: September 7, 14, 21, 28, October 5, 12, 19, 26, November 2, 9
Thursdays: September 8, 15, 22, 29, October 6, 13, 20, 27, November 3, 10

COOKING (Grades 2-8) Tuesday or Wednesday 3:15-4:00 \$175.00

Through hands-on instruction, students will have the opportunity to prepare healthy and delicious foods, which can be shared with their families. Students will be inspired by new flavors and old favorites with an emphasis on nutrition and "clean" foods. Additionally, students will have the opportunity to learn about the "farm to fork" movement by meeting local chefs and the local farmers that they depend upon.
Tuesdays: September 6, 13, 20, 27, October 4, 11, 18, 25, November 1, 8
Wednesdays: September 7, 14, 21, 28, October 5, 12, 19, 26, November 2, 9

DANCE (Grades 3-4) Wednesday 3:15-4:00 \$125.00

If you can walk...you can dance! Students will be introduced to the beginning elements of jazz dance. Class will include basic positions, steps, and routines set to popular music.
September 7, 14, 21, 28, October 5, 12, 19, 26, November 2, 9

GOLF (Grades K-8) Thursday 3:15-4:00 \$175.00
TGA Premier Junior Golf offers golf programs for children in grades K-8th. We use the game of golf as a conduit to develop your child's hand-eye coordination & improve motor skills. TGA teaches golf while promoting life skills and education concepts such as math, English, science and history. Our Instructors provide a fun filled curriculum with instruction, drills, and fun games. Every student gets personal attention & prizes. TGA encourages students to follow the 5-Level Program to promote a lifelong passion for the game of golf.
September 8, 15, 22, 29, October 6, 13, 20, 27, November 3, 10

IMPROMPTU PUBLIC SPEAKING (Grades 6-8) Wednesday 3:15-4:00 \$150.00
This class is designed to help prepare students to gain the skill associated with impromptu public speaking in front of an audience, classroom or in a competitive speech tournament format. Students will be given formulas to help organize a one to three minute impromptu speech on a variety of subjects with a three minute preparation time. This class will be especially helpful for those students who plan to compete in the annual Margie Burke Speech Tournament held in the spring at Ross School, but is also open to the students who are interested in acquiring this valuable communication tool.
September 7, 14, 21, 28, October 5, 12, 19, 26, November 2, 9

JEWELRY MAKING (Grades K-8) Monday or Tuesday 3:15-4:00 \$175.00
Create customized, stylish jewelry ready for you and your friends to wear! Become your own jewelry designer, where you can choose from a huge selection of hot colors, textures, and unique beads to make one-of-a kind pieces. Our classes are designed not only to be fun, but to let you in on some of the most popular jewelry making techniques, such as wire work, beading, felting, finger knitting, and stamping and dapping.
We use only the highest quality findings, fresh water pearls, and Czech glass beads to create one piece of new jewelry per class. Our highly trained and fun instructors create a relaxed, encouraging environment all children will love.
Mondays: September 12, 19, 26, October 3, 10, 17, 24, 31, and November 7
Tuesdays: September 6, 13, 20, 27, October 4, 11, 18, 25, November 1, 8

LEGO EXPLORATIONS (Grades K-3) Monday 3:15-4:00 \$150.00
Students will participate in activities relating to simple machines (gears, levers, pulleys, axles and wheels) as well as engage in free choice and open-ended, creative engineering projects.
September 12, 19, 26, October 3, 10, 17, 24, 31, and November 7

LEGO ROBOTICS (Grades 2-6) Tuesday 3:15 – 4:00 \$175.00
What's better than ending a day in school by building cool LEGO robotics? Join us as we build robots that push, pull, fight, and even bite! Students will learn how to design, build, and program their own LEGO robots competing in events like sumo, line-following, and the infamous "Pit-'O-Despair." Instructor Greg "LEGO" Intermaggio has over 10 years experience in LEGO robotics and 5 years experience teaching in recreation settings.
Tuesdays: September 6, 13, 20, 27, October 4, 11, 18, 25, November 1, 8

MULTI-MEDIA ART (Grades K-5) Monday- Tuesday-Thursday 3:15-4:00 175.00
In multi-media art class, children can design and build three-dimensional works of art using a variety of materials. We will incorporate wire, clay, wood, plexiglass, fabric, recycled materials and other media into our creations.
Mondays: September 12, 19, 26, October 3, 10, 17, 24, 31, and November 7
Tuesdays: September 6, 13, 20, 27, October 4, 11, 18, 25, November 1, 8
Thursdays: September 8, 15, 22, 29, October 6, 13, 20, 27, November 3, 10
