

Southern Marin Bus Route

Mount Tamalpais School has contracted with Laidlaw Education Service, the largest and most reputable student transportation company nationwide, to provide a daily bus to and from the school. Although the exact route will depend on the children who take advantage of the program, in general, one 42 passenger bus will originate at the San Francisco Yacht Club. It will stop at The Belvedere/Tiburon Library to pick up children there and then stop again at Reed School, Corner Stop, Blackies Pasture, Cove Shopping Center and Strawberry Drive. It will then take the Shoreline to Loring route to school. The children will arrive at school by 8:00 a.m. each morning. The afternoon return route will be the reverse of the morning route with Strawberry Drive being the first stop. Afternoon bus service will be provided on the Friday 2:15 p.m. dismissals and the days when school is out at noon as well. The bus will be driven by the same driver each day.

A parent run committee is being assembled to organize exact routes and times and to act as liaison between families and the school regarding any bus issues. The committee will organize parents to staff the bus stops in order to provide “drop and go” service in the morning and to be with the children until each child is picked up in the afternoon. Parents who are staffing the stops and the bus driver will have active cellular phones. Systems will be in place to monitor where each child has gotten off the bus in the afternoons as well as where each child gets on the bus in the morning.

Interested families will be asked to sign up per child by trimester. On an annual basis, this would be approximately \$1,350.00 per year or \$450.00 per trimester. So as to provide the flexibility that many of you requested, one way transportation coupon booklets (or Bus Books) of 10 coupons per book will also be sold. The Bus Books will be \$50.00 per book. The coupons are transferable so that siblings or friends can use them, but must be purchased in advance of their use. It is our hope that a student who has an afternoon activity at the Recreation Center one day a week, but who is normally in a carpool, can take advantage of the bus this way. Also, some parents might prefer to meet their children at a convenient bus stop to save time and minimize the number of vehicles driving up and down the hill to school.

If you would like to take advantage of the school bus, please let us know by indicating and returning the attached form to school with a check or credit card at your earliest convenience. The more advance information we have, the more we can plan ahead with this new and exciting program. Thank you!

MTS Staff

SIGN UP FOR THE MTS BUS!!!

The following children will be riding the **Southern Marin** bus to/from Mount Tamalpais School for Trimester I of the 2011-2012 school year;

Please Note: Should the bus become full on any given day, priority will be given to those with trimester passes.
