

NEW! Additional
San Francisco Bus Route #2

Mount Tamalpais School has contracted again with First Student/Laidlaw Education Service, the largest and most reputable student transportation company nationwide, to provide another daily San Francisco bus to and from the school. Although the exact route will eventually depend on the children who take advantage of the program, in general, this 20 passenger bus will originate in San Francisco, 276 32nd Avenue (Sea Cliff), Cherry/ Temple Emanuel, Letterman, then proceed to MTS via the Shoreline Highway to Loring Avenue route to school. The children will arrive at school by 8:05 a.m. each morning. The LATE afternoon return route will be Marin City (Dollar Store)/Sausalito (Spencer) (as needed), Golden Gate Bridge (SE Transit Stop), 240 Cervantes & Marina Blvd., Presidio, 276 32nd Avenue (Sea Cliff). Afternoon bus service will be provided M-TH at 4:15 p.m. ;this route will also be included for any noon dismissal. The bus will be driven by the same driver each day.

Systems will of course be in place to monitor where each child has gotten off the bus in the afternoon as well as where each child gets on the bus in the morning.

Interested families will be asked to sign up per child by trimester. On an annual basis, this would be approximately \$1,350 per year or \$450.00 per trimester. In order to provide the flexibility that many of you requested, one way transportation coupon booklets (or Bus Books) of 10 coupons per book will also be sold. The San Francisco bus books are \$50.00 per book. The coupons are transferable so that siblings or friends can use them and they may also be used for San Francisco bus #1. The bus tickets must be purchased in advance of their use.

If you would like to take advantage of the school bus, please let us know by indicating and returning the attached form to school with a check or credit card at your earliest convenience. The more advance information we have, the more we can plan ahead with our San Francisco Bus program. Thank you!
