Parents/Guardian must sign the following agreement:

I/We agree that our child will **fully commit to an entire school year of lessons and practices** on the instrument of our child's choice. We also understand that dropping lessons after the beginning of a trimester forfeits our right to any reimbursement. Lesson times may only be changed for very special circumstances. If I/we wish to change a child's lesson time in the middle of a trimester we realize that because of the existing lesson schedule, the school may not be able to change, I/we are still responsible for the costs of the lessons for the rest of the trimester. We understand that private teachers are hired for the duration of the year and that they have to be paid for their time even when a student's lesson has to be canceled or the time is changed.
