

Thank you for your many volunteer hours spent in support of MTS throughout the year. We couldn't do it without you!

This serves as one final reminder to submit your calendars with hours so that the school may provide that information when applying for grants.

Please take a moment to think about how and where you would like to be involved next year. Either complete the form below or send an email with your areas of interest. The committee chairs will be busy this summer putting rosters together so a quick response would be appreciated.

With gratitude,
 Laura Hill
