

Associate Teacher

Located fifteen minutes north of the Golden Gate Bridge in Mill Valley, Mount Tamalpais School (MTS) is a k-8 co-educational independent day school serving 240 students. At MTS “Learning is revered, and education is joyful.” We lead with kindness, honor childhood, and practice active inclusion. In our rich program, we celebrate the journey and encourage all learners to ask, “What’s possible?” MTS students, well prepared for their future while remaining young at heart, bring a multitude of diverse and unique backgrounds to our community. They are motivated learners who love engaging in learning.

MTS Professional Community members are passionate about both what they teach and who they teach. Our departmentalized program allows all teachers to share their passion while focusing their professional growth. Regardless of department, MTS educators are dedicated to the social-emotional development and wellbeing of our students.
